Additional

Courier fee R 200.00 (Incl VAT)

TOTAL (Incl. VAT)

The courier fee of R200 (Incl. VAT) is the normal charge. Any additional or special courier charges (public holidays, outlying areas, express delivery) shall be pre-authorized and invoiced to the client.

The re-distribution of medicine and medical devices which have been returned, is prohibited. Next Biosciences will, therefore, not accept the return of any AmnioRederm products for credit and replacement unless there is a defect in the product or its packaging at the time of supply. It is recommended that products be stocked and stored or ordered for delivery at least 2 days prior to use to avoid unforeseen shipping delays. Please take note of preferred storage conditions.
